Beijing International Music Festival & Academy

**in residence at the Central Conservatory, Beijing China
August 2010**

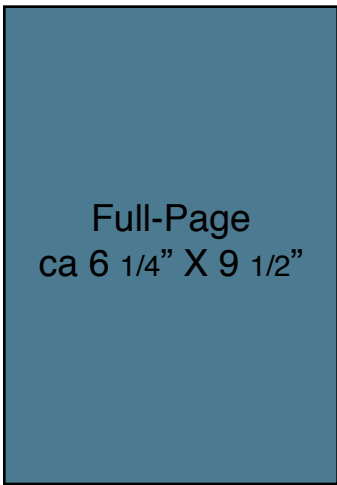

Every year, through its festival in China, Beijing International Music Festival & Academy (BIMFA) reaches thousands of music students, conservatory professors and administrators, classical music lovers and general audiences. BIMFA is a vehicle to introduce your institution to the vast world of musically-infused Asia. This is the time to make your school visible to generations of students from China and beyond!

WWW.BIMFA.ORG

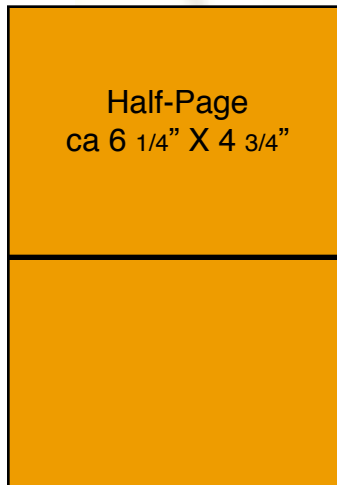

- ♪ **Beijing International Music Festival & academy (BIMFA) the first and the only music festival in China offering a multi-instrument program both for academic and performance, serves a community of artist/pedagogues and students of music from East & West.**
- ♪ **Each year over 120 students and 40 artist-faculty gather in Beijing for 2 weeks of performance, competition and exceptional music instruction with over 400 lessons and chamber music coaching, 20 public master classes, 6 student recitals/performances, 5 artist-faculty concert series and exhilarating concerto competitions.**
